

CORE CAPABILITIES

LVT & VCT Installation

Commercial-grade luxury and vinyl composite tile. Offices, retail, healthcare, multifamily.

Polished Concrete

Grind, densify, hone to reflective finish. No topping. Outlasts every other finish.

Epoxy Floor Systems

100% solids, broadcast flake, metal. Chemical-resistant. Industrial and food service.

Commercial Painting

Interior walls, ceilings, trim. Drywall finishing. Low-VOC for occupied spaces.

Exterior Repair

Elastomeric on masonry and stucco. Lift-equipped in-house. Fully documented.

Subfloor & Spec Services

Moisture testing, self-leveling, crack repair, spec writing.
